

CRYSTAL CREEK™ MAGNETIC & BLUE RIBBON™ TWINS

Crystal Creek™ Magnetic Fly Boxes

Crystal Creek™ Magnetic Fly Boxes more than triple the storage capacity of our popular Crystal Creek Series. Each box features a 360° rubber gasket and are thin, lightweight and fit comfortably in your vest or pocket. This new series features patent pending IFF foam in the lid and a strong magnet in the base to provide quick, easy access to nymphs and smaller flies. These magnetic fly boxes are a great way to organize a days trip on the water.

Blue Ribbon™ Waterproof Twins

Blue Ribbon™ Waterproof Twins offer twice the space with VFF storage on both sides.

4946TW
Holds 252 flies!

3936TW
Holds 160 flies!

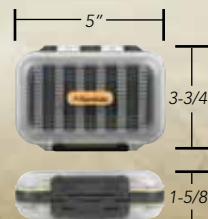

Patent Pending

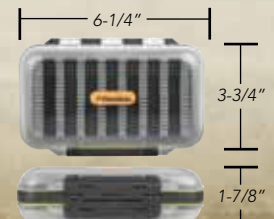

Vertical Friction Foam™ (VFF) technology consists of rows of vertically slit foam that securely holds flies between the pads using friction without allowing the hook to pierce the foam.
